

WAIST-HIGH DIGITAL SCALES

with **MedVue**®
Medical Weight Analyzer

Detecto's USA-made waist-high digital physician scales are available with or without a mechanical height rod. The scales are equipped with a MedVue indicator designed for optimum performance and utilize Detecto's unique **1LOOK** feature which displays height, weight and BMI simultaneously. The platform size is 10.5 in W x 14.5 in D / 27 cm W x 37 cm D and the capacity is 500 lb x 0.2 lb / 225 kg x 0.1 kg.
